Explanation

The bill establishes an advisory council to monitor the activities of the Board of Education and Services for the Blind (BESB) in particular the agency’s compliance with the benchmarks and recommendations set by the previous monitoring council (established in PA 03-217 and terminated in January 2006). It is anticipated that BESB will not incur additional costs associated with the council. To the extent legislators are appointed to the advisory council, Legislative Management may incur minimal costs for legislator mileage reimbursement (currently 44.5 cents per mile). These costs are budgeted as part of the normal resources of the agency.

The Out Years

There is no fiscal impact anticipated in the out years.
